## INTRODUCTION

SPACE ELECTROMECHANICAL WORKS (L.L.C) is specializes in building services such as ELECTRICAL, PLUMBING, AIR-CONDITIONING, FIRE ALARM AND FIRE FIGHTING, SMATV SYSTEM AND PUBLIC ADDRESS SYSTEM.

Space Electromechanical are actively involved in carrying out numerous projects pertaining to the above services. Space Electromechanical comprises of more than 25 engineers and more than 325 workers with over 20 years of experience in the Gulf in addition to their experience in their homeland.

We have provided the services for various projects such as Hotels, Factories, Schools, Food Industries, Engineering Industrial Units, Pharmaceutical Stores, Multi Storied buildings and group of Villas as is obvious from the project list attached.

Our company is also active for the design required in the M.E.P Services especially for AIR CONDITIONING HEAT LOAD CALCULATION, GREEN BUILDING SUBMISSIONS, ELECTRICAL SINGLE LINE DIAGRAM, LOAD SCHEDULES AND DRAINAGE SYSTEM. Our designing cell had designed quite a few prestigious projects in the U.A.E.

WE SPECIALIZE IN CARRYING OUT IN COMPLEX AND FAST COMPLETION PROJECTS.

We have completed the world's largest government building with LEED PLATINUM certification – DEWA GREEN BUILDING IN AL QUOZ. This project had complexity since the project was started as normal project and after

construction started, the project was converted to LEED PLATINUM. This conversion required major changes in MEP which was done by us.

Our numerous fast completion projects include DELTA PRINTING PRESS, CWT SML LOGISTICS, RSA LOGISTICS, AL AVON LABOUR ACCOMMODATION, K-12 MIRDIF SCHOOL, HELLMANN CALIPER HEALTH CARE FACILITY etc.

We have worked with almost all the leading consultants of U.A.E. and international consultants and are very keen to assist you in your future projects.

We have group companies who are carrying the following specialized works.

- I . Facility Management – **SPACE FACILITY MANAGEMENT LLC** carries out complex and varied AMCs for MEP works since more than 6 years and has prestigious repeat clients like Dewa, Aggreko, Landmark, Al Habtoor etc. The detailed prequalification of the company is enclosed in Annexure- I
- II .LV Switchgear Manufacturing - **SPACE DISTRIBUTION BOARD LLC** carries out manufacturing of LV panels, MDBs, SMDBs and DBs and approved by local Authorities and has been in business for over 10 years.
